*Join us* at the **Partners with Vision Benefit Gala** and show your support for the growing number of persons struggling with severe vision loss in the community.

It's a fun-filled and inspiring evening celebrating the achievements of children and adults who participate in our visual rehabilitation programs. You will be uplifted when you hear their stories of how they overcame challenges presented by their vision.

At this year's Gala, we will also celebrate the opening of our first low vision satellite clinic at Plymouth Place in LaGrange Park. We are serving more individuals with vision loss than ever before. Our success would not be possible without our Partners with Vision.

Your partnership will help us to continue changing the lives of those with vision loss, giving them hope and independence for a brighter future.

All proceeds from the Gala will benefit the programs of Spectrios Institute for Low Vision.
